

NOT A LABORATORY-ISSUED TEST REPORT

RoHS Compliance Documentation Summary

Applicant / Manufacturer-Prepared Technical Documentation

1. APPLICANT INFORMATION

COMPANY DEMO ONLY — Brightway Trading GmbH

ADDRESS 100 Demo Avenue, London EC1A 1AA, United Kingdom

CONTACT Documentation Team

EMAIL documentation@example.test

PHONE +44 20 0000 0000

2. MANUFACTURER INFORMATION

COMPANY DEMO ONLY — LumenWorks Manufacturing Co., Ltd.

ADDRESS No. 88 Example Road, Shenzhen 518000, China

COUNTRY China

EMAIL compliance@example.test

RELATIONSHIP Brand owner / commissioning party

3. PRODUCT IDENTIFICATION

Product name	Rechargeable LED Work Light		
Model / type	WL-2000-DEMO	Brand	LumenWorks Demo
Category	Lighting equipment	Batch / serial	
Description	Rechargeable portable LED work light with USB-C charging.		

4. EVIDENCE BASIS

User-supplied records listed in this document

DEMO-ITR-WL20-01

5. OVERALL DOCUMENTATION STATUS

DEMO - INCOMPLETE INFORMATION

Information must be completed before a full conclusion can be shown.
Status is calculated from user-supplied information and does not represent independent laboratory verification.

SAMPLE - DEMONSTRATION DATA - NO PHYSICAL SAMPLE TESTED

NOT A LABORATORY-ISSUED TEST REPORT

6. RESTRICTED SUBSTANCES RESULT SUMMARY

General Annex II limits

No.	Substance	General limit	Reported result	Evidence ref.	Scope / object	Calculated status
1	Lead Pb	1000 mg/kg	25 mg/kg	DEMO-ITR-WL20-01	Demonstration product dataset	Within the listed limit
2	Mercury Hg	1000 mg/kg	ND (MDL 1 mg/kg)	DEMO-ITR-WL20-01	Demonstration product dataset	Within the listed limit (ND)
3	Cadmium Cd	100 mg/kg	3 mg/kg	DEMO-ITR-WL20-01	Demonstration product dataset	Within the listed limit
4	Hexavalent chromium Cr(VI)	1000 mg/kg	ND (MDL 1 mg/kg)	DEMO-ITR-WL20-01	Demonstration product dataset	Within the listed limit (ND)
5	Polybrominated biphenyls PBB	1000 mg/kg	ND (MDL 5 mg/kg)	DEMO-ITR-WL20-01	Demonstration product dataset	Within the listed limit (ND)
6	Polybrominated diphenyl ethers PBDE	1000 mg/kg	ND (MDL 5 mg/kg)	DEMO-ITR-WL20-01	Demonstration product dataset	Within the listed limit (ND)
7	Bis(2-ethylhexyl) phthalate DEHP	1000 mg/kg	44 mg/kg	DEMO-ITR-WL20-01	Demonstration product dataset	Within the listed limit
8	Butyl benzyl phthalate BBP	1000 mg/kg	8 mg/kg	DEMO-ITR-WL20-01	Demonstration product dataset	Within the listed limit
9	Dibutyl phthalate DBP	1000 mg/kg	12 mg/kg	DEMO-ITR-WL20-01	Demonstration product dataset	Within the listed limit
10	Diisobutyl phthalate DIBP	1000 mg/kg	Not tested	DEMO-ITR-WL20-01	Demonstration product dataset	Incomplete information

- ND = Not detected above the stated method detection limit (MDL). ND does not mean zero.
- Limits shown are general Annex II limits by weight in homogeneous materials; applicable exemptions may change the assessment.
- Results and evidence references are reproduced from information supplied by the user.
- The service compares reported numeric values with the listed limits; it does not assess sampling, laboratory competence, evidence authenticity or product scope.

Catalog: EU-ROHS-ANNEX-II-2026-07-01-v1 | Calculation: rohs-result-evaluator-v1
Basis: Directive 2011/65/EU Annex II, including Commission Delegated Directive (EU) 2015/863.

SAMPLE - DEMONSTRATION DATA - NO PHYSICAL SAMPLE TESTED

NOT A LABORATORY-ISSUED TEST REPORT

7. EVIDENCE AND SCOPE

1 source(s) listed

Evidence 1 - Internal technical record

Reference: DEMO-ITR-WL20-01

Source organisation: DEMO ONLY — Fictional technical team
Reference number: DEMO-ITR-WL20-01
Date / department: 2026-06-30 / Technical documentation

Covered product / material / component: Demonstration dataset covering named assemblies only
Supporting file: Not attached
File SHA-256: Not available
User note: One result intentionally requires review.

Supporting files, if uploaded, were stored in the user's private file area for a limited retention period. They are not embedded or reproduced in this summary. Third-party logos, seals, signatures and accreditation marks are not copied into this document.

DEMONSTRATION DATA - NO PHYSICAL SAMPLE TESTED

SAMPLE - DEMONSTRATION DATA - NO PHYSICAL SAMPLE TESTED

NOT A LABORATORY-ISSUED TEST REPORT

8. METHODS OR TECHNICAL BASIS

- DEMO-ITR-WL20-01: Fictional internal record (as stated in the source evidence)

9. BASIS AND LIMITATIONS

Document type: Applicant / manufacturer-prepared compliance documentation summary.

Evidence basis: User-supplied records listed in this document.

Laboratory status: Not issued by a testing laboratory.

This document organises and compares information supplied by the user. It does not replace original test reports, supplier declarations, technical documentation, product-scope assessment, conformity assessment or legal review.

The applicant / manufacturer remains responsible for evidence authenticity, tested scope, homogeneous-material coverage, values, detection limits, exemptions, record retention and signing authority.

10. PREPARATION AND APPROVAL

PREPARED AND APPROVED BY THE MANUFACTURER / APPLICANT

Michael Lin

PRINTED NAME / POSITION
Michael Lin
Technical Documentation Lead

REPRESENTING
DEMO ONLY

PLACE / DATE
Shenzhen, China
2026-07-23

The handwritten-style name is a visual presentation of the name supplied by the user. It is not a digital certificate or identity verification.
